## Annual Cub Scout Banquet Draws Huge Crowd 190 Folks

A group of 190 people gathered at the Community Hall in Canal Point on Tuesday night of this week for a Scout meeting which was said to be one of the largest and finest ever held in this area. The occasion was the Annual Cub Scout Banquet for Pack No. 623 of Cub Scouts, according to Bill Moss, Cub Master.

The meeting was opened with Rev. T. C. O'Steen, pastor of the Pahokee Methodist Church, offering a prayer of thanksgiving. Cub Scouts and Boy Scouts were the honored groups on the occasion and the remainder of the huge crowd was made up of parents, friends and visitors.

Awards were given to: Eddie Scroggins, Bobcat Pin; Larry Moss, Silver Arrow; Jimmy Wilkinson, Silver Arrow; Mike Dobrow, Wolf Badge; Paul Cook, Wolf Badge and Gold Arrow; Pat Connell, Bear Badge; Ronald Casto, Bear Badge; Lance McMichael, Lion Badge; Frank Tillis, Lion Badge.

Bill Moss, Jr., and Dick Tyson were presented the Webelo Badge, which is the highest award in Cub Scouts.

Den 4 received the Honor Plaque for having the most awards in February.

Boy Scouts, led by Scoutmaster Thomas Martenez, of Pahokee, entertained with the induction into Boy Scouts of David Caraway, Dick Tyson and Bill Moss, Jr.

A delectable chicken supper was served to the group.

A Den Mothers Meeting will be held in the home of Mrs. Bill Moss at 4:30 p.m. the afternoon of Tuesday, March 20.

Pack night will be Tuesday, March 27, at 7:30 p.m. in the social hall of the First Methodist Church in Pahokee.

Cub Scout theme for March: "Islands of the World." Mr. and Mrs. Bill Howard are Cub Scout directors.

## \$1,000 Bass Caught By Okeechobee Man

Fishermen take note! The money fish are being caught. One was caught in the Okeechobee City area worth \$1,000. The prize money is furnished by the Schlitz Brewing Company in Tampa and Florida is zoned for the catches.

Glenn T. Bell, of Okeechobee and Tampa, caught the black bass with the tag that denoted its worth at \$1,000.

All fish are tagged and released by the Florida Game and Fresh Water Fish Commission and the Florida State Board of Conservation in the 1962 fish research and sports program financed by the Joe Schlitz Brewing Company.

Lt. Neely Johnson, who is stationed at U. S. Air Base in Valdosta, Georgia, visited his parents, Mr. and Mrs. Alec Johnson, during the past weekend.

## Revival Closes Canal Point Tonite

The revival meeting at the Canal Point Methodist church will come to a close tonight after running for ten days with Rev. Enoch Finkley, pastor of the Methodist church in Ruffin, S. C., doing the preaching.

The revival services, started each evening at 7:30, were preceded by special services for young people at 6:30.

## Defense Group In Meeting With Lions

At a joint meeting of the Canal Point Civil Defense Unit and the local Lions Club Monday night, the two groups heard Col. Ellis Altman, Palm Beach County Civil Defense Director. He and his staff presented an interesting movie on bomb explosion and civil defense.

Booklets containing a CD - approved plan for various types of fallout shelters were distributed by Col. Altman to those attending the meeting.

At the brief business meeting of the Lions Club following Col. Altman's program, it was announced a Lions Zone social meeting will be held in the Community Building at Canal Point Monday evening, March 19, with members of the Pahokee, Okeechobee and Canal Point Clubs to attend.

Cattlemen Field

## Day Set March 23

Annual Beef Cattlemen's Field Day will be held at the Everglades Experiment Station, Friday, March 23, with Assistant County Agricultural Agent Kent Price as moderator during the morning session.

The Palm Beach County Cattlemen's Association will serve lunch at noon and veteran Palm Beach County Agricultural Agent M. U. Mounts will speak on the history and development of beef cattle production in this county.

During the afternoon session, Frank Polhill will be moderator.

## Cyndy Friend Named To Sorority Position

Cyndy Friend, daughter of Mr. and Mrs. Lewis Friend, of Pahokee has recently been elected to the office of Public Relations in the Gamma Mu Chapter of Delta Gamma at Florida State University in Tallahassee.

Cyndy is a junior majoring in Criminology and Corrections. She is a member of the Florida State Circus, Wesley Foundation, and Pep Rally Committee. She previously held the office of assistant pledge trainee for the sorority.

## Glades Sugar Story In FPL Magazine

"The Three C's of Castro's Communistic Cuba have opened the door for expansion of the Glades sugar industry but two more C's—production Controls to be established by Congress—will determine just how far the door will be opened."

The above is the opening paragraph in a story titled "Sugar Industry" in the February issue of "Sunshine Service" the monthly Florida Power and Light Company magazine. The story is only written and accurately tells the story of the booming sugar cane industry on the eastern and southern shores of Lake Okeechobee.

Attractive pictures accompany the article and the industry is described as "Ready Kilowatt's Sweetest Customer."

If you are interested in the article give Curtis Chase at the Power Company a call and ask for an extra copy of the magazine. The Everglades News publisher is sure, that the genial manager of the Power Company will see that you receive a free copy containing the story.

## 4-H Club Girls In Contest On March 7

During National 4-H Club Week, girls will have an opportunity to participate in County Demonstration Day. All 4-H club girls in the Glades area of the county who are 14 years or older, are encouraged to participate in the Demonstration Day to be held at the Belle Glade High School at 3:30 p.m. on Wednesday, March 7. (The girls must be 14 years of age as of January 1, 1962). This activity is only for this age group, but younger 4-H club members may come and watch. All 4-H leaders in the Glades area are asked to bring their girls on this day.

The classes for the demonstrations will be: Bread Making team and individual, Dairy Foods team and individual, Public Speaking, Share the Fun—Talent Contest, County Song—original words to a familiar or new tune.

Other demonstrations — on any other 4-H project—team or individual. The judge for these activities will be Mrs. Lottie Pierce, formerly of the Florida Power and Light Company in West Palm Beach. The winners will have an opportunity to win a trip to District Demonstration Day. This is a five county event to be held at Camp Cloverleaf the weekend of March 24.

## March 8 Deadline Small Claims Court

The deadline for filing claims in the Small Claims Court for March will be March 8. Court will be held on March 29 with Judge F. A. Currie presiding at the Glades Office Building.

Mr. and Mrs. J. H. Bordeaux visited Mrs. Bordeaux's niece and family in Fort Lauderdale Sunday.

## Week Of Prayer To Be Held March 5-9

The Week of Prayer for Home Missions and Annie Armstrong offering will be held March 5 thru 9 at the Canal Point Baptist Church.

The theme will be: "Help Us O God for the Glory of Thy Name."

Monday from 3 p.m. to 4 p.m. Mrs. W. S. Evans will present the program. Tuesday from 9:30 to 10:30. Mrs. J. L. McCall will have the program. Wednesday night at 7:30, Mrs. D. P. Hughes will be in charge. Thursday morning from 9:30 to 10:30. Mrs. J. D. Latham will be in charge of the program. Friday night at 7:30, Mrs. Laith Nall will have the program. The goal for the offering is \$217.00.

## Local Youths Win Orlando Fair Prize

Thirteen Palm Beach County 4-H clubbers left Sunday for the Central Florida Fair State 4-H Club dairy cattle show at Orlando and returned with a bevy of medals and awards.

Judging of the cattle was held Monday, according to Raleigh Griffis, assistant county agricultural agent, who accompanied the group to Orlando.

Peggy Bitting, Oren Bitting and Allen Webb, all of Canal Point, walked off with the largest number of awards, he reported.

Peggy Bitting, competing in the Dutch belted breed classification; won a blue ribbon and the reserve Grand Champion award for a heifer calf. She also won a red ribbon for a two-year-old entry.

Oren Bitting, in the same competition, won a blue ribbon award, the junior champion award, and Grand Champion Award for his junior yearling heifer.

Webb, competing in the grade Holstein breed class won a blue ribbon and first place and was awarded reserve grand champion honors for his junior, yearling heifer.

In the grade Jersey classification, Walter Webb, Canal Point, won a red ribbon for his heifer calf.

## Rardin's Modesty Receives A Test

West Palm Beach—(Special) — County Commissioner Paul Rardin, Canal Point, who also publishes The Everglades News, sometimes finds it imperative because of his county office, to put his own name on the front page of his Glades paper.

This week he was chatting with court house reporters and related the story of a friend who called to see if he (Rardin) was in town or if he had been ill. To which Rardin replied that he had been on the job every day.

The friend jokingly explained that he had missed seeing Rardin's name on the front page of The Everglades News and he wondered what had happened.

One reporter told Rardin he would see to it that the name got back on the front page—even if it meant making up a story to do it.

Which the reporter did—but he wouldn't have had to because Commissioner Rardin, representing the vast Everglades section on the county board, is always news.

Glades agricultural lands, its cattle raising and lately the impact of a new sugar industry, is enough to keep Commissioner Rardin and his district in headlines for many years to come—just as it has in the many years Rardin has served as a public official.

Mrs. Jewel Peoples and son, Gregory, of Indialantic Beach, Fla., are the guests of her sister and brother-in-law, Mr. and Mrs. Buck Waldron, of Belle Glade. Gregory entered the Everglades Memorial Hospital in Pahokee Sunday.

## University Bureau Gets Service Award

GAINESVILLE—The University of Florida News Bureau has won the Distinguished Service Information Award for outstanding efforts among Southern universities to promote public understanding of university research.

Director Allen O. Skaggs, Jr. of the news bureau and W. H. Hoike Kerns, head of health center relations at the university, said the program of information was representative of the total effort to acquaint the public with the research and advances made by the University of Florida.

Skaggs has since resigned from his university post to accept a position as director of public relations of Silver Springs.

## Lawrence Jaudon Home From Hospital

Mr. and Mrs. Wiley Tillis received word that Mrs. Tillis' brother, Lawrence Jaudon, of Wauchula was able to return to his home in Wauchula Wednesday, after being a patient for several days undergoing treatment and complete rest in the Lakeland Hospital. The Jaudons are former residents of Pahokee. Lawrence owns and operates the Western Auto Store in Wauchula. His son, Roger Jaudon, owns the Western Auto Store in Bowling Green.

## Medical Fee Plan Study For Workmen

TALLAHASSEE—First meeting of the Florida Industrial Commission's committee to study and recommend revision of the medical fee schedule for workmen's compensation cases will be held this week in Tallahassee.

The committee is composed of medical doctors, labor leaders, representatives of industry, and special advisers from all parts of the state. Paul E. Speh, director of the Workmen's Compensation Division, is non-voting chairman of the committee.

Florida Industrial Commission Chairman A. Worley Brown, said the FIC is concerned with establishing fair and equitable medical fees for workmen's compensation cases because it realizes the injured claimant is entitled to the best medical care available.

Although the present fee schedule has been in effect for more than a year, the first year's record keeping will not be tabulated until April 1, and it is contemplated that the new schedule can be adopted shortly after that date, Brown said.

Mrs. Lucile Johnson spent the weekend sight seeing and visiting in Nassau.

## Stetson Homecoming Opens New Museum

DELAND—Stetson University celebrated homecoming recently by the opening of Gillespie Museum of Minerals, valued at approximately \$1 million.

The collection of minerals in the museum is a culmination of years of interest and study in physical science by Dr. and Mrs. Thomas B. Gillespie of St. Augustine Beach. Gillespie, a native of Palatka, was the developer of the lavish Ravine Gardens in Palatka.

Dr. J. Ollie Edmunds, Stetson president, also announced to the homecoming assembly the trustees' unanimous reaffirmation of a desire for closer relationship with the Florida Baptist Convention.

The convention last November recommended the university transfer Stetson property to it and give it power to elect Stetson trustees.

**Don't Let Anybody Charge For Aiding Social Security**

R. C. Gehrken, Jr., Manager of the West Palm Beach Social Security Administration District Office, announced today that three accountants from Conway, South Carolina, pled guilty on February 14 to charging unlawful fees for aiding persons in applying for social security benefits.

James R. Holbert, Sr., pled guilty to four counts in an indictment returned by a Federal Grand Jury last May. Alexander S. Holbert pled guilty to three, and Wendell J. Holbert pled guilty to eight. They were sentenced to a year in jail on each count by Judge C. C. Wyche in U. S. District Court in Florence, South Carolina, or payment of a \$500 fine on each count.

The Holberts had collected their fees in a number of instances by arranging to have the applicants they assisted pay over to them a large portion of the first social security check received. Since many of these checks covered several months for which retroactive benefits were due, the fees involved were excessive.

Gehrken cautioned all applicants for social security benefits to beware of persons who offer to assist them in obtaining benefits in return for a portion or all of the first benefit check.

**53 Killed In State During January**

TALLAHASSEE—Florida State troopers investigated 2,431 accidents outside of towns and cities of the state in January in which 53 persons were fatally injured; 16 per cent less than for the same month last year.

In a monthly report today on the activities of the Florida Highway Patrol for the first month of the year, the following was stated:

State Troopers made 11,710 arrests and wrote 23,385 faulty equipment notices, plus another 10,886 written warnings to motorists.

Safety education sergeants made 342 talks, gave 1,704 radio talks and showed 145 safety films.

Troopers worked a total 118,447 hours and patrolled 1,793,661 miles of state and federal highways. They also gave 8,422 assists to motorists on the roads.

In the weights division the men weighed 38,972 trucks found 701 overweight and their owners were assessed \$49,849.

## Feed Grain Program

### Looking For Signers

Growers of corn, grain sorghum, and Spring planted barley now may sign up to take part in the 1962 Feed Grain Program.

Mr. and Mrs. A. R. Harrington, Chairman, Agricultural Stabilization and Conservation County Committee, announced today. The sign-up will extend from February 5 through March 30.

Operation of the program, the Chairman explained, will be similar to the 1961 Feed Grain Program.

Likewise, its objectives are the same—(1) to increase farm income; (2) to further reduce the excess Feed Grain stocks; (3) to reduce Government costs of farm programs; (4) to reduce the risk of serious overproduction of meat, poultry and dairy products; and (5) to assure consumers of fair and stable prices for these products.

All producers of corn, grain sorghum or spring barley are eligible to take part in the Feed Grain Program, which calls for the diversion of acreage previously planted to one or more of these crops into an

approved soil-conserving use. The program is voluntary, but program participation by farmers, who produce these Feed Grain crops is required if they want to be eligible for price support on their Feed Grain crops, including oats and rye.

Mr. Harrington said that for corn and grain sorghum, there to provide highways for the motor must be a minimum reduction of 20 percent from the farm's 1955-60 average acreage as adjusted of motors taxes are diverted was pointed out by Marvin L. Holloway, president and general manager of the Peninsula Motor Club, AAA, in a talk before a Tampa civic club.

The diversion was cited as Holloway blasted the proposal of Gov. Farris Bryant, to construct a toll-base, producers of oats and rye will be eligible for 1962-crop price support if they comply with either the corn-grain sorghum program or the barley program.

## Campaign Started For Boca Raton "U"

The campaign to raise funds for the University at Boca Raton is now starting in 22 smaller cities and towns in Palm Beach County, the University Endowment Corporation reported yesterday.

Local campaigns will be implemented by local chairmen in each town, as the drive moves toward an intermediate goal of \$300,000 by April 1. A total of \$500,000 is sought for initial operating and planning funds for the University.

Last week the State Board of Control gave formal approval to plans to acquire capital funds in excess of \$5 million for the University here through a state bond issue.

Thomas F. Fleming, president of the Resources Development Board which is the parent organization of the Endowment Corporation, said the drive now stands at "about 30 percent" of its total goal.

"The drive," Fleming said, "must be successful. We're off to a good start, but we must pick up momentum."

Fleming noted that Gov. Farris Bryant is the head of the campaign to raise \$500,000 for the University.

Plans are now being drawn for a general solicitation program to be out later on a successful fund drive.

In Boca Raton something more than \$100,000 has been raised from a total of 64 contributors.

Little Miss Kay Lyn Starling

celebrated her second birthday with a party at the home of her grandparents, Mr. and Mrs. Mitchell Kirk. Monday afternoon, the little guests were entertained by playing on the birthday "present"—new playground equipment. Favors of party hats and horns were given to the little ones. Ice cream and cake were served. Mrs. Lemlie Baxter assisted Mrs. John Starling in the entertaining.

Half of American Deaths Are Due To Heart Disease

Each year, the heart and blood vessel diseases account for half of all deaths among Americans 45 to 64 years. These diseases, which constitute the nation's leading health enemy, are also the leading health threat to that age group from which business and industry draw their most highly skilled workers, the Palm Beach County Heart Association points out.

The business community of Pa-hokee is fighting this health hazard through a Heart Days for Business drive here. Volunteers from downtown stores and offices will canvas business and manufacturing buildings and shopping centers for Heart Fund contributions. Heart Fund dollars make possible the Heart Association's research, education and community service programs against the heart diseases.

### Christian Science Group Of Canal Point

Value to all mankind of the healing ministry of the Master will be stressed at Christian Science church services Sunday, in a Lesson-Sermon on the subject "Christ Jesus".

Luke's account of the healing by Christ Jesus of the man with the dropsy will be included in the Bible selections.

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy this citation will be read (p. 180): "When man is governed by God, the ever-present Mind who understands all things, man knows that with God all things are possible. The only way to this living Truth, which heals the sick is found in the Science of divine Mind as taught and demonstrated by Christ Jesus."

The Golden Text is from Colossians (2): "As ye have therefore received Christ Jesus the Lord, so walk ye in him: rooted and built up in him, and established in the faith, as ye have been taught, abounding therein with thanksgiving."

### Baptist WMU Hears Migrant Missionaries

The regular monthly meeting of the Canal Point Baptist W. M. U. met Monday night at the Church. Mrs. J. D. Latham, president, presided. After routine business, the devotional was presented by Mrs. C. D. Stewart. The topic for discussion was on migrant work. Mrs. Stewart presented Rev. and Mrs. Bertis Fair, missionaries to the migrants, who are stationed in their trailer in the trailer park on South Bay. They are sponsored by the Home Mission Board of the Southern Baptist Convention.

Rev. Fair showed very interesting slides of the phases of their work in different sections of the country where migrants live. Mrs. Fair gave a very inspiring talk of their various experiences. There were questions asked by the women of the W. M. U. following the talk, and an informal discussion was held.

There were several visitors attending. Mrs. Latham presented a gift to Mrs. Fair from the W. M. U. in love and appreciation.

# SUGAR HEARING MARCH 15

## U.S.D.A. To Hear Our Sugar Story At Canal Point Meet

### National 4-H Club Week Mar 3-10.

National 4-H Club week opens March 3-10. The 900 4-H boys and girls in Palm Beach County will celebrate the week in many ways.

The Osceola Busy Bees 4-H Club in Belle Glade, led by Mrs. A. S. Lynn, Misses Betty Myer and Gertrude Kiefer will start a cleanup campaign at their school. The girls plan to put up posters at their school against "Litterbugging". They will place a mirror in the school so that the girls can check their grooming during the day. They will also place 4-H posters in their school.

The Canal Point 4-H club under the leadership of Mrs. A. R. Harrington, Mrs. Bruce Bitting and Mrs. Elmer Maxson will use their club exhibit from the fair for display in Canal Point. They will also display 4-H posters in their town.

The Pahokee 4-H club girls have been meeting with Mrs. T. E. Pennington. They have been doing many demonstrations at their club meetings. They too will place posters in their community.

The South Bay 4-H club will place 4-H posters in their school and community. These girls have been giving many demonstrations at school under the leadership of Mrs. Hugh Rudder, Mrs. Robert Stokes, Mrs. Bully Walker, Mrs. F. O. Wilder, Mrs. Charles Mansfield and Mrs. R. A. Hall. Many of the South Bay 4-H club members were in the dress revue and modeled many cute outfits.

Most of the girls and boys will wear 4-H outfits during the week in school. There are four 4-H clubs in Belle Glade. Mrs. Wm. Hearn and Mrs. E. W. Scheffler lead the Junior Orange Blossoms. Mrs. George Parker and Mrs. Wayne Baughman lead the Sunshine 4-H'ers. Both of these clubs have made green and white outfits and will wear them during the week. Mrs. Jack Tatum is the leader of the Lady Bugs Club. Mrs. Don Sellers leads the Belle Glade Teenagers. This group plans to put an exhibit in a store window in town.

### WINS AWARD

Miss Linda Livingston, daughter of Mr. and Mrs. C. L. Livingston, of Canal Point was the winner of the Betty Crocker Home Award at the Betty Crocker Examination. Linda is a senior of Pahokee High School.

### Woman's Club Holds Regular Meeting

The Pahokee Womans Club met for their luncheon meeting at the club house at 12:00 Wednesday. The meeting was opened by the singing of "America The Beautiful" followed by the reading of a poem by Mrs. Mack Todd. Mrs. Adeline Wroten asked the blessing. Mrs. B. R. Mosley, president, presided. It was reported that three of the members attended Juvenile Court in the Court House in West Palm Beach Tuesday.

Thursday the Palm Beach County Federation of Womens Club was held at the new Community Building in Belle Glade beginning at 10:00 a. m. Reservations for five members from Pahokee have been made to attend. They are Mrs. B. R. Mosley, Mrs. Glenn Powell, Mrs. Leon Spooner, Mrs. Avis Fisher and Mrs. Lennie Baxter.

A very interesting program was presented by Mrs. Olan Hamilton of West Palm Beach, District 10 Director. The topic was "Know Your Club."

All of Florida's sugar growers—young and old—big and little—will be given an opportunity to "have their say" at a meeting scheduled for Canal Point on Thursday, March 15, according to County Agent M. U. (Red) Mounts.

The hearing will be held under the direction of O. P. McArthur of the Agricultural and Stabilization Committee of the United States Department of Agriculture. Mr. McArthur of Gainesville, Florida, said that Florida growers of sugar cane will be given ample time to tell their story in full so that it may be made available to federal officials in Washington.

At a hearing held in New Orleans, La., 15 days ago the independent sugar cane growers of Florida were shamed into the background and had little opportunity to tell their story. The United States Sugar Corporation was heard through its spokesman, President Harry T. Vaughn of Clewiston, but little was heard from the other growers in Florida. The story will be different at the hearing scheduled for Canal Point—arrangements are being made to allow the local cane growers a chance to "have their say."

Mr. Mounts is anxious that ALL sugar cane growers in Florida be in attendance at the upcoming meeting in Canal Point in order that an indelible impression may be made on the powers that be. Future allotments and proposed reduction of present acreage, these and other important facets of the sugar cane growing industry will be thoroughly aired at the meeting.

### Chronic Disease Facilities Sought

County commission representatives are scheduled to meet March 22 with authorities of the State Development Commission to push for more chronic disease facilities for the county.

The commission has plans for extension of some county home and hospital facilities and are attempting to get matching funds from the state to help finance the added facilities.

Plans for the added facilities will be aired by the state group at the March meeting.

In other actions this week the commission:

Gave the City of West Palm Beach permission to use a plot of county owned lands for park purposes. The land is at 59th St.

Agreed, on request of the State Road Department, to install a traffic blinker at Military Trail and Lake Park West Road. The state has plans for redesigning the intersection.

Took no action on a request from Dr. C. L. Brumback, that seat belts be installed in all county owned cars.

Heard a report from Chairman Lake Lytal and Vice Chairman E. F. Van Kessel, describing a visit here Monday by John Glenn and his astronaut buddies. The delegation of astronauts left International Airport with President Kennedy for a Washington visit during which time Glenn will be honored as America's first man in space.

### YOUNG MAN IN HOSPITAL

Allan Hoyle, young son of Mr. and Mrs. Willis Hoyle, is a patient at the Good Samaritan Hospital in West Palm Beach where he is confined due to pneumonia. Allan is improving after being a patient in the hospital for ten days.

### Pahokee Public Thoroughfares Committee Named By City Council

The Pahokee City Council has appointed a Public Thoroughfares Committee of Nine prominent citizens to study the proposal of four-laning a highway through the City of Pahokee. A recent tentative survey was made by the State Road Department at the request of the City Council and maps of the survey have been made available to the Council and citizens of Pahokee. It is this survey and other proposed routes for the four-laning that this Committee will study thoroughly before reporting back to the City Council at some future date. Members of the highly important committee are:
